

The Town of Campbell is looking for Town residents in Campbell and East Campbell interested in filling vacant Town positions.

These are volunteer positions. Currently there are vacancies for alternate Planning Board members and one vacancy on the Zoning Board of Appeals. We would like to find interested persons in the community who are interested in being of service to their local government and in being on these boards. Interested persons should write a letter of introduction and qualifications to the Campbell Town Clerk, Sandra M. Austin, at 8529 Main Street, Campbell, NY 14821 by September 7, 2017.
