**RE: CRASE (Civilian Response to Active Shooter Events)**

The Town Board of Campbell is working to bring more opportunities to the town by hosting Steuben County's events at the town hall. The CRASE classes being held in September and October benefit all of our businesses and residents.

With the major challenges of safety in our community I looked into a program given by the Steuben County Sheriff's department. CRASE (Civilian Response to Active Shooter Events).

1. The Sheriff's department will host a CRASE event and de-escalation class at the Steuben County Public Safety Building in Bath on Sept. 29<sup>th</sup> 6-9pm.
2. **The Town of Campbell will be the host of these classes on Saturday, Oct. 15th from 10am – 1pm here at the town hall and**
3. **Thursday, Oct. 27<sup>th</sup> 1-4pm, also at the town hall.**

**If interested please call 607-527-8244 Ext 221 to register (please leave your name and phone #) or email me at [projects@campbellny.com](mailto:projects@campbellny.com).** For a more detailed explanation of the class visit [alertrt.org](http://alertrt.org) site online, it is full of good information. If there turns out to be a large interest in the class, I will schedule other dates with the Sheriff's Department.
