Other tidbits of useful information FAQs:

There is a 24 hour "Cooling off Period" in NY this means that you MUST wait 24 hours AFTER your license is issued, before you get married.

Your License is only valid for 60 days, if you do not get married within that time, you will need to have the license re-issued.

Your Marriage License will need to be returned to the Clerk so your official paperwork can be issued, this can be done by mail or in person.

Your Marriage License will be housed in the office in which you got it. This means that even if you go to a different Town or County to get married, your certified copies will only be available in the town where the license is issued, or from NY State Vital Records.

Marriage Licenses issued outside of NY City are only valid outside of NY City. If you plan to get married in the City itself you must apply for a license there. Additionally, NY State Marriage Licenses are only valid if you are married in NY State. If you plan to get married outside of the state (i.e. PA) you must get your license from that state.

If you have any questions or need to make an appointment for after business hours, please call the office and talk to the Town Clerk at (607) 527-8244 Option 2.

Congratulations! We look forward to helping you.
